If it is getting close to your court date and you have not heard back from us yet, please contact the District Court and ask for a continuance of your scheduled hearing. If you sent in a motion to continue your hearing to the courts, you are NOT excused from your current court date until you have received a Judge Signed Order of Continuance. You can contact them at 785-543-6830.

A driver or holder of a commercial driver's license (CDL) are NOT eligible and may NOT enter into a diversion agreement pursuant to K.S.A. 8-2,150.

****** If you plea and pay your ticket prior to hearing back from us in regard to your diversion application we **CAN NOT** offer you a diversion whether you were to be eligible for one or not.

Please remember, however, neither the Phillips County Attorney nor the Administrative Assistant can give you ANY legal advice as to what you should do in your case or what is in your best interest. You always have the right to legal counsel. If you have any questions of a legal nature about your case and/or the diversion process, you should consult with a private attorney.

**** If you plea and pay your ticket prior to hearing back from us in regards to your diversion application we CAN NOT offer you a diversion whether you were to be eligible for one or not.**

A diversion is an agreement, authorized under Kansas law, between the Phillips County Attorney and the Defendant, whereby the State of Kansas agrees to stay or defer prosecution of a traffic case for a certain amount of time called the diversion period or term. During this time period, a Defendant is required to obey and perform under certain conditions agreed to in a Diversion Agreement.

During this diversion period, the charge(s) are still on file with the Phillips County District Court, but the charge(s) are stayed or deferred. If the diversion period is successfully completed by the Defendant, the State of Kansas will agree to dismiss the charge(s). The case will be dismissed if, and only if, the Defendant has successfully complied with all terms and conditions required by the diversion agreement.

However, if a Defendant fails to abide by any and all the terms and conditions of the diversion agreement or violates any terms and conditions during the diversion period in any way, the Phillips County Attorney reserves the right to make a motion to terminate the diversion. If a diversion agreement is revoked, prosecution on the charge(s) will resume on a trial to the Court on stipulated facts.

Please remember, however, neither the Phillips County Attorney nor the Administrative Assistant can give you ANY legal advice as to what you should do in your case or what is in your best interest. You always have a right to legal counsel. If you have any questions of a legal nature about your case and/or the diversion process, you should consult with a private attorney or contact the Phillips County District Court to see if you qualify for appointed counsel before proceeding.
