

# COMMERCIAL REVITALIZATION PROGRAM

**(CRP) provides assistance to Phillips County business owners for rehabilitation to the façade of their business location. Qualified projects include signage, awnings, windows & doors, and exterior renovation.**

## HOW DOES IT WORK?

Approved candidates will be awarded a dollar-for-dollar match towards the cost of their CRP project with a maximum reimbursement award of \$5,000 per project.

## PROJECT CRITERIA

- The minimum project cost required in order to be eligible for participation in the CRP program is \$1,000 (\$500 match).
- Applications will not be accepted for projects that are either completed or currently in progress.
- Approved projects must obtain any appropriate permits before commencing work and conform to all zoning, planning and municipality regulations, where applicable.

## HOW DO I APPLY TO PARTICIPATE IN THE PROGRAM?

Submit a “before” picture of your property along with your completed application form (*see reverse*) and you will receive an approval response within 30 days. If you are approved to participate, you will then have **180 days** to get your project completed.

## HOW DO I RECEIVE MY FUNDS?

**Approved** CRP participants must submit an “after” picture of their project along with itemized receipt(s) or invoice(s) within 30 days of project completion, for all costs incurred during the 180 day time frame. Reimbursement will then be issued providing that all conditions have been met.

## CAN I DO THE WORK MYSELF OR DO I NEED TO HIRE A CONTRACTOR?

It is suggested that you use a contractor for any revitalization projects. You may opt to do the work yourself on the condition that all applicable codes, ordinances and regulations are followed. However, labor costs can only be reimbursed for professional contractors.

\*Check with the PCED office for current available discounts through Phillips County businesses.

## HOW MUCH FUNDING IS AVAILABLE?

The CRP program has funding for a minimum of 6 projects annually. Funding will be approved on a first come, first serve basis. Applications not approved due to the depletion of the annual funding allocation, will be reconsidered the

following calendar year. Applicants are encouraged to reapply.

**Please Note:** Incomplete applications will be rejected from the approval process. In this instance, the applicant would still be eligible to reapply for participation. All **completed** applications will be evaluated in the order by which they were received.
