

RESIDENTIAL REVITALIZATION PROGRAM

(RRP) provides assistance to Phillips County homeowners for updates to the exterior appearance and maintenance of their existing residential property.

HOW DOES IT WORK?

The RRP Program reimburses homeowners up to \$1,500 in matching funds for the purchase of materials and equipment rentals required to renovate the exterior of their property. This program is operated on a first come, first-serve basis and funding priority will be given to structures in the greatest need of revitalization. Applicants are only allowed to apply for the program on one property, one time per year.

HOW DO I APPLY TO PARTICIPATE IN THE PROGRAM?

Submit a “before” picture of your property along with your completed application form (*see reverse*) and you will receive an approval response within 30 days. If you are approved to participate, you will then have **180 days** to get your revitalization project completed. **Applications will not be accepted for projects that are either completed or currently in progress.** Applicants are encouraged to purchase their materials within Phillips County. **Check with the PCED office for current available discounts and consulting services through Phillips County businesses.*

HOW DO I RECEIVE MY FUNDS?

Approved RRP participants must submit an “after” picture of their revitalization project along with an itemized receipt(s) for materials and equipment rentals within 30 days of project completion.

WHAT EXTERIOR IMPROVEMENTS ARE ALLOWED?

Eligible improvements include exterior painting, siding replacement, roof repair/replacement, landscaping revitalization, driveway repair, deck repair/replacement, etc. All projects **MUST** be exterior, and visible to those passing by.

I OWN RENTAL PROPERTY – CAN I STILL APPLY?

If you own rental property, you can apply to participate in the program. However, you will only be able to make improvements to one property per year, including personal property.

CAN I DO THE WORK MYSELF OR DO I NEED TO HIRE A CONTRACTOR?

You do not need to use a contractor to complete this work, provided that the revitalization project is done to a satisfactory standard. However, labor costs will only be reimbursed for professional contractors. Applicants are required to follow all local codes, ordinances, and regulations in relation to the revitalization project.

HOW MUCH FUNDING IS AVAILABLE?

The RRP program will reimburse up to 20 projects per year. Applications not approved due to the depletion of the annual funding allocation, will be reconsidered the following calendar year. Applicants are encouraged to reapply.
