

**Phillips County Economic Development
Neighborhood Revitalization Act
Revitalization Plan**

BEFORE THE BOARD OF COUNTY COMMISSIONERS
OF PHILLIPS COUNTY, KANSAS.

IN THE MATTER OF THE ADOPTION OF A
NEIGHBORHOOD REVITALIZATION PLAN

REVITALIZATION PLAN

The Board of County Commissioners of Phillips County, Kansas, (herein sometimes called "Governing Body") pursuant to the Kansas Neighborhood Revitalization Act, K.S.A. 12-17, 114 et. seq. does hereby adopt a Neighborhood Revitalization Plan (herein sometimes called "Plan") for the County of Phillips as follows:

FINDINGS

Pursuant to K.S.A. 12-17. 116, the Governing Body FINDS:

1. Phillips County currently suffers from poor economic conditions as evidenced by the following:
 - (a) Phillips County incomes are significantly below statewide averages. The average per capita money income for Phillips County in 1999 was \$17,121 with the state and national averages being \$20,506 and \$21,587 respectively. The median household income in 2000 (using 1999 dollars) for Phillips County averaged \$35,013 per family whereas the state and national averages exceeded \$41,900. In 2002, the U.S. Census Bureau estimated 124 families / 582 individuals, or 10.7% of our Phillips County population, earned incomes below the poverty level. (US Census Bureau)
 - (b) Phillips County's population growth is below state and national norms and has actually dropped 9.28 %, from 6001 to 5,444 between 2000 and 2006, according to the latest U.S. Census estimated figures. The State of Kansas grew by over 11 percent during the same period. Phillips County ranks 64th in population out of the 105 counties in Kansas with regards to population. Since 1960, the population of Phillips County has fallen by 3169 people or 37.8 %.
 - (c) The median age of Phillips County residents is 42 years, ranking the County 83rd in the State. Nearly 22 percent of the population of Phillips County is 65 years of age or older. With more than one-fourth of the population not in the labor force and living on fixed incomes, renovating and rehabilitating existing housing is not possible.
 - (d) Coupling the aging population with the out-migration of youth to urban areas poses problems for future income earnings and leadership in the County. If this decreasing trend continues, either tax rates must increase, or cut backs will be made to public services. The County's most glaring challenge is the potential inability of the tax base to support the levels of governmental services residents have come to expect and are essentially needed.

- (e) The number of housing units has decreased from 3264 units in 1990 to 3088 units in 2000. The number of households has decreased from 2695 households in 1990 to 2496 households in 2000. The median value of an owner occupied home in Phillips County is \$ 48,200, well below the \$83,500 level for the State of Kansas. (US Census Bureau, 2000)
 - (f) The total tangible assessed valuation for Phillips County in 2010 was \$50,871,556, ranking the county 77th of 105 counties in Kansas. (Kansas League of Municipalities, Kansas Government Journal)
 - (g) Numerous circumstances account for the challenging economic conditions in Phillips County. A continuing decline in the number of farms, as well as the depressed farm economy, has continued to cause a decline in local retail sales. The resulting drop in enrollment at the area high schools has forced school boards to increase taxes to make up for the lost state aid. This increase in taxes has kept many people from renovating existing housing or making needed improvements to property.
2. Notice of hearing on this Plan has been given pursuant to K.S.A., 12-17,117(c) by publication in the official county newspaper of the Advocate, on the dates published, January 11, 2012 and January 18, 2012, editions of such newspaper and proof of such publication has been filed in the office of the County Clerk of Phillips County.
3. By reason of the findings made in paragraphs 1 and 2 above, the Governing Body further finds that a majority of the conditions as described in subsection (c) of K.S.A. 12-17, 115 exist in the entire County of Phillips as a single unit or area eligible for designation under the Kansas Neighborhood Revitalization Act and that the rehabilitation, conservation and redevelopment thereof is necessary to protect the public health, safety and welfare of the residents of Phillips County.

PLAN

1. LEGAL DESCRIPTION OF AREA IN PLAN.

(a) A legal description of the real estate forming the boundaries of the area included within the Plan is the entire area of Phillips County, Kansas, as set forth in K.S.A 18-174 and such statute is adopted herein by reference.

3. NAMES AND ADDRESSES OF OWNERS. A list of the names and addresses of the Owners on record of the real estate included within the Plan constitutes a part of the records in the office of the County Appraiser of Phillips County, and such list is adopted in and made a part of this Plan by reference.

4. ZONING CLASSIFICATIONS. The existing zoning classifications and zoning district boundaries and the existing land uses within the area included in the Plan (exclusive of those cities within the County of Phillips which have not adopted zoning plans and ordinances) are as set forth in the official zoning maps, records, resolutions and ordinances of the County of Phillips and the cities of Phillipsburg, Logan, Glade, Kirwin, Agra, Long Island, Prairie View, Stuttgart, and Speed.

5. MUNICIPAL SERVICES. The Plan does not include any proposals for improving or expanding municipal services as described in K.S.A. 12-17,117(a)(5) and, if any proposals for any such improvements or expansions of municipal services are hereafter proposed by the Governing Body, then any such proposal will be prepared and considered independently of this Plan.

6. REAL PROPERTY ELIGIBLE.

(a) All real property and all improvements thereon situated in Phillips County are eligible to apply for Revitalization under the Plan.

(b) Rehabilitation of and additions to existing buildings and, also, construction of new buildings are each and all eligible to apply for Revitalization under the Plan.

7. CRITERIA FOR ELIGIBILITY: PROCEDURE TO COMPLETE APPLICATION TO QUALIFY.

(a) The criteria to be used by the Governing Body to determine what specific real property is eligible for Revitalization and for Property Tax Increment Rebates are as follows:

(i) (A) Construction of an improvement must have begun on or after February 1, 2012, the effective date of this Plan.

(B) Construction must be completed and such fact reported to the County Appraiser no later than the second **January 1st** following the date on which the County Appraiser conditionally approved the Application to Qualify And To Participate; otherwise the Conditional Approval will become null and void and the Improvements, if any, theretofore completed will not be eligible to participate in the Plan and Rebate Program.

(ii) In order to qualify for Revitalization, a Parcel of real estate must have a minimum increase of \$10,000.00 in County Appraiser's appraised value, directly resulting from a qualified Construction and Improvement, for a Parcel of residential, agricultural, recreational, commercial and/or industrial real estate in order to be eligible to receive a Rebate.

(iii) (A) All new Construction and all Improvements to existing property must comply with all zoning and building codes, rules, and regulations in effect at the time the improvements are made, and,

(B) To maintain its eligibility, such Parcel must continue to remain in compliance with all zoning and building codes, rules, and regulations during the entire period of time the Parcel remains eligible for Rebates.

- (iv) Any Parcel that is delinquent in the payment of any ad valorem property tax assessment or special assessment shall not be eligible for any Rebate. Any Owner of other property within the County who is delinquent in the payment of any ad valorem property tax assessment or special assessment shall not be eligible for any Rebate during the remainder of the time for which the Parcel was eligible.
 - (v) The Owner of commercial or industrial property eligible for Property Tax Increment Rebates under any adopted Neighborhood Revitalization Plan and, also, eligible for property tax exemption under K.S.A 79-201(a) or any other existing ad valorem tax exemption law, will be eligible to secure relief under only **one** such Plan or law, as the Owner shall elect.
 - (vi) Eligibility for Rebates is subject to the adoption and approval of a Plan by each taxing district. The County Clerk will provide the County Appraiser's office with a list of taxing districts who have adopted a Neighborhood Revitalization Plan.
 - (vii) In the event of a transfer of ownership of a Parcel during the eligible Rebate period, such Parcel and the subsequent Owner thereof will remain eligible for the Rebate during the remainder of the time for which the Parcel was eligible.
 - (viii) (A) Multiple qualified improvements to the same Parcel completed within one calendar year shall be treated as one improvement.
(B) In the event of multiple qualified improvements made to the same Parcel in different or succeeding years, which meet the required minimum requirements in any given year, and, therefore, create an additional qualification for and period of eligibility for a Rebate, the total Rebate in any succeeding year will be calculated and determined after the initial qualified Rebate is determined, and will be based upon the additional increase in the appraised value directly resulting from the succeeding qualified improvement.
 - (ix) Rebates shall be payable only after Application is made and approved therefore pursuant to Sections 8, 9 and 10 of the Plan. Rebates approved for payment shall be made within thirty (30) days after the next distribution date provided for in K.S.A. 12-1678a and amendments thereto next following approval for payment of the Rebate.

Immediately following completion of Part II, the County Appraiser shall deliver a true and correct photocopy of completed Parts I and II of the Application to the Owner by personal delivery or via U.S. Mail, first class, postage prepaid. If deemed necessary, the County Appraiser has the option to inspect the property prior to completing Part II of the Application.

- (vi) As to any Construction and Improvement which is only partially completed as of the January 1st immediately following the County Appraiser's conditional approval under Part II of the Application, the owner shall report such fact in person to the County Appraiser and shall complete Part III (a) of the Application. Such report shall be completed within fifteen (15) working days following January 1st.
- (vii) As to any Construction and Improvement which is reported by the Owner pursuant to (vi) above as being only partially completed, the County Appraiser shall view, value and appraise such partially completed Construction and Improvement as of the January 1st immediately following the County Appraiser's conditional approval under Part II of the Application and such partially completed Construction and Improvement shall have taxes levied, assessed, and collected thereon in the usual and customary manner and the same shall not be eligible in the year of such levy and assessment as a partially completed Construction and Improvement for a Rebate under the Plan.
- (viii) Within fifteen (15) working days after any Construction and Improvement is completed, the Owner shall report such fact in person to the County Appraiser and shall complete part III (b) of the Application.

- (ix) Within thirty (30) working days after the Owner shall have completed Part III (b) of the Application and filed the same with the County Appraiser, the County Appraiser shall conduct an on-site inspection of the Construction and Improvement completed on the Parcel of real estate described in the Application. On or before March 1st of the following tax year, the County Appraiser shall determine the increase in the appraised value of the Parcel of real estate described in the Application which is directly attributable to the Construction and Improvement described in Parts I, II and III of the Application, following which, the County Appraiser shall complete Part IV of the Application.

- (x) (A) Within thirty (30) working days following the County Appraiser's compliance with (ix) next above, the County Appraiser shall deliver a true and correct photocopy of the fully completed Application (i.e. Parts I, II, III, and IV are all completed) to the Owner by personal delivery or via U.S. Mail, first class, postage prepaid.

- (xi) If the Owner is aggrieved by any act, action or omission by the County Appraiser pursuant to Parts II and/or IV of the Application, the Owner, if possible, shall complete such remedial action, as shall be necessary to secure the required approval of the County Appraiser or, if the Owner cannot secure such approval, then the Owner may appeal the County Appraiser's decision to the Board of the Phillips County Commissioners and thence to the District Court using the procedures provided therefore in Section 9(c) (ii) (B) of the Plan as set forth hereinbelow.

- (xii) (A) In completing an Application To Qualify And To Participate all actions required under this Section 7(b) shall be made and completed in person by the Owner or the Owner's agent or attorney unless the County Appraiser shall, in writing, authorize the Application to be prepared and filed by the U.S. Mail or by some other alternative method.

Should the County Treasurer approve an Application for Rebate, it shall then be submitted to the County Commissioners for final approval.
- (d) The Application for Rebate provided for in this Section 9 shall be made in person by the Taxpayer or the Taxpayer's agent or attorney unless the County Treasurer shall, in writing, authorize the Application to be prepared and filed via the U.S. Mail or some other alternative method.
